of the outer sections
allow operators to work
safely over uneven
surfaces or stairs

**NO MORE
TYING OFF**

Self-enclosing platform
is a versatile, safe
alternative to tying off.

**HELPS PREVENT
FALLS DUE TO OVER-
REACHING**

Extra-wide base
and fully enclosed
platform

**Little
Giant**
Ladder Systems

CLIMB ON

Safe and easy to use on stairs, stadium seating, stages, and other uneven surfaces or at multiple heights.

Outriggers for increased side-tip stability.

Enclosed work platform

Move the ladder while set up with the optional Wheel Lift

TYPE 1AA 375 LBS
